METAPHOR

winemaker notes

Figurative Metaphor is a blend of white and red grape varieties revealing the best of both worlds. This style of wine is popular in many tasting rooms. You start with aromas of raspberry, strawberry and citrus. The mouth offers a sweet, fruity and syrupy attack. The mid-palate is layered with light tannins from the blend of Syrah and Cabernet Franc. Lighter tones of red fruit like raspberry are present in the mid-palate. This wine has medium intensity in the mouthfeel and lean structure through the finish.
